## T H E M E

Mammoth presses grinding out the news of the day, books, magazines . . . giants of wood and steel rotating endlessly to give humanity amusement and instruction . . .

What has more influence on life than the press? Through it kingdoms rise and fall, reputations are made and broken, wars are instigated and concluded, millions are made to laugh and cry.

Publications are the mirror of life; an annual reflects the accomplishments and activities of a school. Realizing this, the staff has selected Publications for the theme of the 1932 Noroscope. We have endeavored to carry it out in the illustrations through the medium of linoleum blocks. These were made solely by members of the art staff

High school publications especially have made much progress during the last decade. They have increased both in quality and in the amount of useful information and experience offered to would-be journalists. One of the purposes of our Publications theme is to command and encourage this. In this school activity more than any other, every student participates as does everyone connected with the press, from salesman to executive.

So we, the staff, hoping that you will understand our aim in comparing the romance, humor, and hard work of the publications industry to Northern life, offer our publication, in the preparation of which all these emotions have been experienced, the 1932 Noroscope.

## MAIN ENTRANCE

It throws a shadowy greeting  
To thousands who come and go;  
Inviting them all to enter—  
This symbol—The Lantern of Learning.

## LIBRARY

Projecting like a chiseled profile  
Which houses the gems of life,  
Gathered by dreamers and thinkers  
For those who care to share.

ENTRANCE---*east front*

Shadows reflect from the doorway

And like shadows they steal away;

Leaving only a memory—

Veiled, for the after years.

## O U R F L A G

Tall and statuesque splendor,  
Looking toward the rising sun  
Bearing an emblem of glory;  
Majestic in the wind.

## I N M E M O R I A M

Doris Taylor, a member of the graduating class of 1932, died on April 27, after an illness of three months.

Doris was taking a commercial curriculum and was an active member of the El Nadi Tigari. She was to have taken the leading part in the club play which was postponed because of her illness. Doris also was active in the productions sponsored by the dramatics classes.

Vernon Jackson, prominent senior of Northern High School, succumbed to carbon monoxide early in the school year.

Vernon was known about school for his dramatic ability, having participated in the play contests as well as having the lead in the senior play, "Old Lady 31." He was also outstanding in his ability in debate and speech activities. Vernon was chosen mayor of Flint, during Boys' Week in April, 1931.

**U**NDER his guiding hand Northern has grown into an institution of the highest repute. Through his sound ideas and helpful advice the Vikings have grown strong athletically and intellectually. By his undiminished efforts, Northern has won national recognition for itself. All those under the banner of the scarlet and gray salute you with respect and admiration.  
PRINCIPAL O. F. NORWALK

Miss Wealthy Hillier, assistant principal acts as a director of the personnel of counselors directs the attendance and also takes charge of program arrangements for all students at Northern

Miss Frances Lyon, who is dean of girls also has charge of all social activities. Taking care of the girls attendance is another phase of her work as well as acting as a counselor for the girl graduates

Harold Westcott, known especially for his counseling and boys' attendance work, is also the dean of boys. He is director of activities and plans for speakers and other forms of entertainment for school assemblies

### STUDENT COUNCIL

Desire for an active student government by the members of Northern has expressed itself in the founding of the Student Council. This group has advanced projects for the betterment of the school and has successfully handled problems that have presented themselves to the student body. Through its representatives it has been the voice and the medium for the expression of Viking initiative.

*Officers.* President, David Jamieson; Vice President, Joe Grady; Treasurer, Van Burd; Corresponding Secretary, Frances Morrow; Recording Secretary, Ruth Barron; Chairman of Athletic Committee, Joe O'Leary; Chairman of Social Committee, Geraldine Gogarn.

#### STUDENT COUNCIL

Acting as a medium between the members of the faculty and the entire student body, the Student Council, the official regulating body, has done commendable work this year.

With David Jamieson as president, the council was organized a short time after the fall semester began.

Its first major task in the second semester was the sponsoring of the semi-annual sale of Student

Union membership cards. Members worked individually by giving sales talks in the Home Rooms. The drive was boosted energetically until, at the close, the sales had reached a high mark.

Problems which arise, whether large or small, are given due notice and consideration. All of them pertain to the general welfare, the student body standards and mutual problems of the faculty and student divisions.

### SENIOR HONORS

Nina Jean Knutson was named valedictorian, and Dorothy Westcott salutatorian of the class of 1932 at a senior honor assembly April 10. Fifty-nine others were also recognized for their high scholastic record.

In his introductory speech Mr. Norwalk pointed out the marked increase in the number of honor students this year. He stated that in the Magna Cum Laude in 1929, the first graduating class of Northern there were five students in 1930 four-

teen, 1931, fourteen while in 1932 there were seventeen students given this honor. The Cum Laude roll consisted of eighteen seniors in 1929, twenty-eight during the year of 1930, thirty-one in 1931, while this year the rostrum consisted of forty-two.

These various honors were accorded the seniors at an impressive ceremony in which flowers signifying their rank were presented to the students. The basis for these awards was scholarship alone.

**POST GRADUATES** A post graduate is a student who has received his high school diploma and who wants extra credit. The 1932 post graduate class shows a considerable increase in membership over that of last year. No special course is followed although most students take

college preparatory subjects. Some of the February graduates take post graduate courses in order to keep in contact with the school until June and so that they may start college in the even term in September.

**SIGMA CHI LAMBDA** The Sigma Chi Lambda local chapter of the National Honorary Society has completed a very successful and active year. Through the efforts of Mrs. Ethel Tiffany and the heads speakers, similar to those of the members were secured. Among these were Mrs. Suzanne Plaendler, Miss Winnifred Dodds, and Bertha Dae Mathews, a former Northern student.

The traditional farewell breakfast honoring the graduating members terminated the social activities for the year.

#### QUILL AND SCROLL

Back Row: Tucker, P., Brubaker, E., Hartwell  
 Front Row: L. E. Wink, Craft, Worth, C. Stave, n. Jack, C., Provillan, A. H. Hancock, Scott

**QUILL AND SCROLL.** In order to raise funds to send Northern journalists to the Cleveland convention the Quill and Scroll planned ways and means for getting the necessary money. This was their biggest project of the year. Creative writing was done by the members of the club in three separate classes.

Each year the Quill and Scroll sponsors a contest in all phases of newspaper writing for its members. Jim Kalem's of the Northern chapter won first place in the state for his column writing.

**Officers:** President, Milton Link; Vice President, Wadja Tinowski; Secretary, Treasurer, Janet Scott.

**MAJESTIC RESEARCH CLUB.** The establishment of a licensed broadcasting station, W81 VQ, has been the only project this year. However, has been one of the greatest accomplishments of any school club and has received a great deal of attention from non members. The radio station was set up in the physics room, which is also the official club room.

The members of this organization are Northern students in mechanical and scientific work, especially in the line of radio.

**Officers:** President, Harold Butler; Vice President, Dennis Ash; Secretary, Treasurer, Wendel Hamilton; Sponsor, George Guidley.

**AMICAE LUDORUM** "Be a participator and not a spectator," has been the motto of the Amicae Ludorum for this year and the basis on which the members have carried on their work. This has been a success, as evidenced by the increased membership and their active work.

**Officers.** President Grace Blackburn, Vice President Julia Voss, Secretary Jean Smith, Recorder of Points Dorothy Mott, Sponsor Miss Marcella Sullivan

**LEADERS CLUB** The Leaders Club activities this year were strictly confined to instructing class leaders. Their instruction enabled them to teach their squads gymnastic exercises, marching tactics and stunts.

Girls who are chosen leaders of class squads compose the Leaders Club. They are taught exercises for the improvement of posture defects.

**Officers** President Shirley Clark, Vice President Beula Listeman, Sponsor Miss Marcella Sullivan

**WOODWIND ENSEMBLE** Since many of the musicians in the ensemble are veterans of last year their reputation for a fine grade of performance has been improved and they have attained a grade A level.

One of the most important appearances was that made at the Parent Teachers meeting in commemoration of Music Week the first week in May.

A school program, broadcast from WFDI afforded the ensemble an opportunity for demonstrating to the public what can be accomplished by a school musical group.

Director Edwin Merrill

**VOCAL ENSEMBLE** By a union of the Girls Sextette and the Boys Octette a very new and effective organization has been formed. Through their many appearances a greater interest in vocal work of all types has been stimulated.

Many requests have been made for appearances at teas and luncheons given by local clubs.

The ensemble was chosen to represent the school at the dedication of the two trees to the memory of George Washington.

As evidence of this the American Legion requested that the ensemble play on the Legion program which was broadcast from the local station WJDF on April 4.

*Director:* Nathan Rosenbluth

**BRASS ENSEMBLE** In conjunction with the third concert presented by the band on April 1 the Brass Ensemble made its first appearance this year. The initial performance was featured by selections from "Fan Fair" and other selections from arrangements by the director Edwin Merrill rendered in true concert style.

**MARCHING BAND** In order to fulfill the requests made by a number of students to have a permanent band for regular appearances at football and basketball games the concert band members volunteered their services.

The entire group was subdivided into two parts—the Eskimos with John Jurk, Lyle Mead, Gerald St. John and Harold Bateman as corporals,

and the Vikings with Ed Brown, Hoyt Smith, Robert Purdy and Max Schlosser as corporals.

A special monogram has been designed as an award for the band members who take this as an extra curricular activity.

Through the courtesy of Mr. George Boysen the band was able to attend all outside games.

**A CAPPELLA CHOIR** The culmination of the most successful year of the A Cappella Choir was reached during Music Week, in the combined chorus of the Central Northern choirs. Several appearances were made before public audiences which included the Washington Bicentennial Pageant and the annual concert given by the

choir. Special appearances were Elks' Annual Memorial Service, Industrial Arts Convention and the State Kiwanis Convention. In addition, a half-hour broadcast and four church programs were presented.

**OPERA CHORUS** In the 1932 opera, the chorus of beautiful maidens and dashing Dragoon Guards was chosen from the opera chorus class. The success of the production was in a large measure due to the atmosphere contributed by the chorus with

its maidens clad in pastel garments and the officers and guards uniformed in military clothing of brilliant scarlet and gold.

**OPERA** The fourth annual operetta, "Patience," was presented in March by an excellent cast under the direction of LeRoy Daniels Nathan Rosenbluth and Edwin Merrill. It was the story of the love affairs of two romantic young poets who are adored and snubbed in turn by a group of fickle maidens.

Reginald Bunthorne, a pretentious poet, after causing a great deal of rivalry among a group of twenty love sick maidens, extends an offer of marriage to Patience the village dairy maid. After Patience had refused him, he, martyr-like, offered marriage to the maiden who would draw the lucky chance in a raffle. However there was an obstacle to that also. In the meantime, Archibald Grosvenor, Patience's childhood lover, returned and declared his love for her. When Patience realized that Archibald was a source of ecstasy to all who knew him and also became aware of the fact that the same twenty maidens, who had become enraptured by Bunthorne were also in love with Archibald, she broke up the raffle and announced that she intended marrying Bunthorne since he was no longer perfect.

The rapturous maidens returned to their former lovers, the Dragoon Guards, and stood firmly by them until it became generally known that Archibald was also an aesthetic poet and then, the ladies turned their adoring eyes toward Archibald, once more deserting their Dragoon Guard lovers.

At last, Bunthorne's love for Patience was overwhelmed by his insufferable conceit and he persuaded Archibald to become an ordinary young man. Archibald did to Patience's secret delight for she had always loved Grosvenor. She promised to marry him since he was no longer perfect.

Much to Bunthorne's chagrin, Patience married Archibald and so Reginald was forced to turn to the exceedingly plain, but durable and adoring, Lady Jane, who had always remained faithful, although he had treated her indifferently. Then to add to Bunthorne's troubles the Duke of the Dragoon Guards announced that he would marry the plainest of all the maidens, Lady Jane. The twenty love-sick maidens return once again to their dashing lovers and Bunthorne is left desolate with no bride.

#### DEBATE

Top Row: Coach Jamison, M. Poppoff, N. Strong, H. M. Lane, D. M. Mayfield, S. Smith, W. Williams, Hancourt, Mayfield, T. Rubin, D. G. Bottom Row: L. L. Lacey, Assistant Coach L. L. Webb, Klein, Hagan, M. M. Lane, M. M. Mucha

**DEBATE** Six debates won and four lost were recorded on the list of decision debates for the Northern Forensic squad during the school year of 1931-1932. Eight of these were decided in the Southeastern League tourney when the Vikings balanced four losses with four wins. One contest was won from Big Rapids with an audience decision of eighty-two to eleven. The climax of the season was reached when the Centralites were defeated for the city title February 2.

Those who took part in the league debates were S. M. Poppoff, Edward Strong, William Hood, Don Mayfield, Virginia Moros, Rano Smith and George Lincoln.

Only Strong and Poppoff graduate this year. A good squad with a nucleus of William Hood, Don Mayfield, Tim Williams, Virginia Moros, will be back out of which a new team can be moulded.

However, large holes are left by the two graduates whose superiors in debate circles are few in the state of Michigan. Poppoff has been complimented many times on his forensic ability and Strong was in the estimate of a judge of the Northern Central debate, the best speaker on the platform.

Ed Strong also tied with David Stewart of Saginaw Arthur Hall, for the title of All Valley Debater at the Saginaw Valley League Debate. An All Valley Team was selected which was composed of Affirmative: First speaker, Howard Capeling, Central; second speaker, Ida Hamann, Bay City; third speaker, Ed Strong, Northern; Negative—Jack Shaler, Saginaw Eastern; Irwin Loyner and David Stewart, Saginaw Arthur Hall.

The forensic schedule was well dotted by non-decision debates. Other members of the squad took part in these debates, among these being Tom Vandancourt, Sara Lande, Prentiss Moore, Anna Mucha and Irene Klein.

Non-decision debates took place with Saginaw Arthur Hall, Saginaw Eastern, Bay City, Flushing, Oxford, Pontiac, Millington, Detroit, Redford, Durand and Ann Arbor.

In addition to these inter-scholastic contests the arguers presented inter-squad debates before many clubs and organizations. The Central Christian Church, the Lions' Club, the Grotto, and twice at the Central Methodist Church were among the places visited by the squad members.

#### THE LEAGUE SCHEDULE

Opponents	Squad	Viking Side	Decision
Big Rapids	Moros, Smith, Poppoff	Negative	Negative
Birmingham	Moros, Smith, Poppoff	Negative	Negative
Royal Oak	Hood, Strong, Poppoff	Negative	Negative
Pontiac	Strong, Mayfield, Poppoff	Affirmative	Negative

Wyandotte	Mayfield, Moros, Hood	Affirmative	Affirmative
Ferndale	Strong, Smith, Poppoff	Affirmative	Affirmative
East Central	Strong, Hood, Poppoff	Negative	Negative

All the debates with the exception of the Big Rapids and Central contests were in the Eastern League tourney.

#### ORATORY DECLAMATION

Williams      Trayek      H. A. Day      Lande      Nagy      Beason

The sub district Declamation and Oratorical Contest to which Northern was host marked one more successful year in forensic work for Northern.

The Vikings were well represented in declamation by Theresa Nagy, who spoke on "King Phillip to the White Settlers," by Everett. The honor of first place went to Charles Sparks of Flint Central, whose selection was "The Valley of Bones" by Cretcher.

In the Oratorical division Timothy Williams of Northern was awarded first honors. His oration dealt with "The Negro An American Citizen." Williams style of oratory held his audience suspended for the length of his oration.

A special edition of Webster's dictionary was presented to the winners and losers alike for both oratory and declamation. Each person received one with his name engraved on the cover and a special page commemorating the occasion.

In the preliminaries staged at Northern, Sara Lande speaking on "A Vision of War" and Theresa Nagy, "King Phillip to the White

Settlers" took high honors in declamation while Timothy Williams with "The Negro An American Citizen" as his choice captured first place in oratory with Louis Travak second.

In declamation, Northern was represented by Theresa Nagy for the sub district contest which is preliminary to the state contest and by Sara Lande in the recently organized Saginaw Valley Debate League while in oratory Timothy Williams was the only entrant for all three.

The preliminaries were judged by James McMonagle, Mrs. Grace Smith and Frederic Harrington in declamation, and oratory was judged by Louis Schulz, James McMonagle and Frederic Harrington.

First place in the District Oratory Contest was won by Charles Marantette from Armada with the subject, "Abreast of Truth." Timothy Williams lacking one point to tie with first place winner was awarded second honors. His topic was "The Negro An American Citizen." Coach Frederic Harrington.

**CLASS SING** To the tunes of 'Sailing on the Robert E. Lee' and 'Go Northwestern' and with a peppy, unusual yell the junior class set a record by winning first place in both song and yell events. Clad in silver and blue to represent wooden soldiers and china dolls these determined juniors under the able leadership of Wilda Hutchinon, choragus and Stuart Dupee cheer leader sang and shouted their way to glory.

The contest was a close one with the senior class sing victors for the last two years, winning second place in both events. The graduating class in cardinal and gold devil helmets created a novel appearance during their songs by rhythmic motions with red and gold gauntleted hands. Margaret Galloway led the songs which were to the tunes of 'Notre Dame Hike Song' and 'Business in F'. Eugene Richards led the train yell.

The sophomore class wore black and white artist tams and responded lustily to the leadership of George Sotos, choragus, and Robert Herzog, cheerleader. Sophomore songs were "My Baby Said Yes, Yes" and "The River St. Marie." The accompanists for the three classes were Maxine Bachman, Phyllis Gaines and Margaret Van de Walker.

The May Queen, Viola Bryan, presided over the Sing and presented the prizes after the decision of the judges, Charles French, Frank Rodolf and Willard Schindler. The queen was attended by Virginia Hadaway, Helen Mary Nyland, Larry Rathbun, Norman Halleck, Mary Chea, Julia Voss, Keith Burden, Bob Page, Ruth Parciarelli, Gayle Schoonover, Steve Uncek and John Love. Jane Mayfield, Dorothy King, Alvin Harris and Howard Kanous of Garfield Kindergarten acted as pages.

### SENIOR PLAY CONTEST

The eternal conflict between God and the devil over the soul of man is revealed in this play "What Men Live By". The keynote of the entire play is obedience to God and the refusal of temptation, regardless of the cost.

Simon, a cobbler, sorely tempted by the devil to spend what little extra money he had for a

wordly possession, decided instead to befriend a young man whom he had found exhausted by the wayside.

Good luck was brought to the cobbler by his obedience to the first law of God when Michael, the poor apprentice, was revealed as an angel. Simon and Matrena, his wife, prosper and live happily ever after in true fairy tale style.

The best acting was judged to have been done by Marianne Whitney, while the love-making was ably handled by Keith Burden and Eleanor Upper. The others in the final cast Virginia Duell, James Shay, Marjory Oiler, Elaine Whalen, and Doris Rose gave an extremely good account of themselves and formed a perfect background for the main story.

### SOPHOMORE PLAY CONTEST

The unusual circumstance of a play within a play featured one of the most unique melodramas ever presented in the play contests.

In the play proper, Annabelle, the romantic heroine as portrayed by Jose Canada was ardently followed by her lover Donald played by Raymond McDonald who was considered the best actor in the play. Annabelle was the leading lady of a play in which, as is customary, the hero rescued the fair damsel from the villain. Donald noting the hero's antics decided to mimic him. In the midst of the rehearsal, a thief appeared who

threatened the whole group of actors. Donald played the hero and rescued the fair Annabelle. The hold up was revealed as a hoax, and Donald taking advantage of the situation, proposed under the light of the "prop" moon.

Character parts well done were those of Lawrence Springsteen who enacted the role of a typical Irish janitor, and Thomas Guth, who played the villain. A character who brought many laughs was Madame the temperamental directress which was interpreted by Stella Matlakoska.

### SENIOR PLAY

#### *Fanny and The Servant Problem*

The difficult role of Lady Bantock, who was put in the peculiar position of being mistress of a house run by 23 servants all of whom were her close relatives, was skillfully handled by both Margaret Galloway and Dorothy Hodson. Independence the keynote of Lady Bantock a person who was exceptionally well portrayed by Margaret Galloway.

Lord Bantock, played by John Perkins and Vane Patterson, was a typical English lord who was in ignorance of his wife's problem.

The two charming old ladies, Lord Bantock's

aristocratic aunts, were well characterized by all four players, leaving no choice as to the best acting.

The family of haughty aristocrats was very well handled, especially the part of the butler, Martin Bennett, played by Tom Jordan and Joe O'Leary.

The play was a comedy the interest of which resulted from the mistress being a niece of the butler and the butler missing no opportunity to remind her of it. The affair was satisfactorily arranged and peace once more reigned in Rutlandshire Hall.

#### ST. MATHEWS 0, NORTHERN 19

St. Mathews opened Northern's 1931 schedule on Saturday, September 26, which gave Northern its twelfth straight game, winning 19-0 from the parochial school. The end positions which had been causing Houston a great deal of trouble through lack of material, seemed to be satisfactorily filled by Molkentine and Newman. Captain Frank Piotrowski turned in some excellent line plunging.

Although the game was played in the rain, the line proved its worth by holding well defensively and on the offense opening the opposing line to allow the ball carriers through.

#### FERRSDALE 0, NORTHERN 7

Hopes for a good aerial attack were diminished in the Ferrsdale game when only two completed passes out of ten for a total gain of fifteen yards was the discouraging result. The second quarter started out similar to the listless first but was enlivened by the Eskimos who seemed to gain new life. It resulted in the only marker of the game when Piotrowski carried the ball across and Andy Major place kicked the extra point.

Sanford's stellar work in the line helped hold the maroon and blue to two first downs.

#### BAY CITY 6, NORTHERN

Showing an improvement over the last game with Ferrsdale, the Vikings won an exciting game by one point. Johnson and Major united their efforts to produce the lone Viking marker in the third quarter. Three passes, Major to Johnson, were good for a gain of 50 yards and a touch down. Intercepting a pass from Heavener, Bay City scored, but their try was blocked by Major.

Coach Houston's strategy that of shifting Johnson to end from quarterback and Sanford from guard to halfback, proved of substantial value.

#### ANN ARBOR 7, NORTHERN 6

Losing the game which would have meant a list of 15 consecutive victories, Northern was put out of State running 7-6 by the Arborites. Out of four Ann Arbor passes, one was completed which was all that was needed to win.

In the last minutes of the third quarter, West and Piotrowski succeeded in making five first downs with Piotrowski finally going over the line. Moore failed in the attempt to tie the score. Injuries were responsible for Molkentine, Smith, and West's departure from the game. Sanford's and O'Leary's work stood out in the line and Johnson handled the ball nicely in the back field.

Northern's Arthur Hill

Frank Piotrowski, Gerald Sanford, Max Wooten, Bob Newman, Tom McKenna.

**PONTIAC 0, NORTHERN 12.** In a battle against a reorganized and unbeatable eleven the Chiefs were forced out of the State running with a 12-0 score rung up by the Scarlet and Gray. Early in the first quarter West and Piotrowski alternating brought the ball down the field and across the line for the first counter. Heavner's try was low. On a ten yard pass in the second quarter, Tom McKenna, speedy substitute, received a pass from Harry Heavner to bring the count to 12.

The team piled up 11 first downs to Pontiac's five. Piotrowski and O'Leary started the whole game.

**SAGINAW EASTERN 7, NORTHERN 0.** Failing to show the fighting spirit which characterized the Pontiac game, the Viking eleven was stopped in a match for Valley title by a score of 7-0. O'Leary's fine work was counter-balanced by Elmer Potts, Saginaw end, who proved a hard man to get around. As the result of a fumble and a blocked pass the Trojans scored on a pass from Speer to Potts, who was behind the goal.

Northern's only threat, in the hotly contested last half, came in the last quarter when they were stopped and forced to punt.

**CENTRAL 6, NORTHERN 0.** On an intercepted pass Moore of Central ran 60 yards to score the

first touchdown by Central against a Northern team. Each team hung up four first downs. Central followed Northern in yards gained from lines of scrimmage. The Indians chalked a total of 99 to the Vikings 103. In the air, however, the Indians held the edge completing 4 passes for 45 yards, while one pass for 11 was all Northern executed.

Piotrowski made 44 yards in 16 attempts. West plunged 11 times for 40 yards gain. Sanford carried the ball 8 yards in 4 tries.

**ARTHUR HILL 0, NORTHERN 12:** The game was played in a steady downpour of rain but it did not deter Captain Piotrowski and his teammates from establishing the highest score of the season. Fifteen first downs were made by the Norsemen while the Hillites were checked throughout the game.

In the first quarter Bob Moore's blockade of two punts paved the way for the first marker made by Frank Piotrowski who crashed through behind Heavner's interference. The Hillites sent in an entire new outfit the next quarter.

Piotrowski hung up two more touchdowns in the third and fourth on straight line plunges. Metcalf scored the other after running 30 yards.

**ROUND ROBIN FOOTBALL.** Football for as many students as possible has always been the policy of Northern High School. In accordance with this policy, Coach Houston instituted an annual intramural football tournament in his third year as coach.

The annual tourney attracted a large number of Vikings who were unable to compete with the varsity. These aspirants were skillfully handled by four high class men-

tors. "Jimmy" Barclay, Jack Hubbard, Harold Hobart and Stanley Knick, all of the faculty. Frank Mitoraj, 1930 football captain, took Barclay's squad the latter part of the season.

This year's race included four teams—Panthers, Wolverines, Bears, and Tigers—and finished with Hubbard's Panthers on top of the heap after a well played game with the Wolverines. Hubbard won four, lost one. Wolverines broke even with

two wins two defeats. Bears beat the Tigers for their only victory against two defeats and the same number of "deadlocks" while the Tigers although putting up splendid battles, won one lost three and tied one.

The climax of the Round Robin, was the play off for the title between the Panthers and Wolverines. James Pemberton and Ray Smitzer combined their efforts in a pass combination that sent

Smitzer scoring from the 40 yard line a fine catch and a brilliant run. This marker downed the powerful Wolverines, 6-0.

Bill Barclay, Joe Grady and George Marzoni were the big "guns" for the Wolverines the entire season.

Quarterback Steve Uricek, and Brady Carpenter performed neatly for the Bears, while Edward Havelcheck, George Loeffler and Dan Zerke lugged the ball for yards for the Tigers.

**BASKETBALL 1932** With a record of nine games won and seven games lost Northern's 1931-32 cage team ended its season with a percentage of .560 and the second city crown.

Winning two out of three games from Central the Vikings snatched the Wildanger trophy just when Central was set to take permanent possession of it.

By showing the "Best attitude and organization ever had" as Coach Jimmie Barclay said this year's team raised the standard set by that of last year when they lost ten out of fifteen games. "Flu" is probably one good reason why the Vikings did not show a better average during the recent campaign.

This year's ball club had the toughest schedule ever played by a Northern cage team. It was the first of its kind. Two games in two successive evenings were played every week. Besides this the opposition were far from "set ups." Bay City and Central had the best teams they ever had.

Responsibility for leading the 1932-33 Northern basketball team will be shouldered by Barcombe and Barclay. The two were honored by team mates who selected co-captains as Bud Barcombe is the only two-year letterman and gradu-

ates in February. Both captains turned in excellent work this season and their constant effort, attitude and co-operation won the reward for them.

#### WILDANGER BASKETBALL TROPHY

**TROPHY** Dr. Wildanger, donor of the Football Trophy, has also donated a Basketball Trophy. The school which wins three consecutive games will take permanent possession of the trophy. Northern, due to the victory this year, has temporary hold of the trophy. Central was all set to gather it into her folds when she lost two of the three games at the I. M. A.

**RESERVE BASKETBALL.** Northern under the skillful hands of Coach Stan Kuick has always moulded strong reserve basketball teams in the past three years and this year was no exception until the latter part of the schedule when three regulars were lost to the squad leaving inexperienced players to fill in which resulted in the loss of four games against seven victories.

Although not boasting a very favorable record for the year the seconds can well be proud of their five victories considering that the majority of the other schools pitted their second string men from the varsity against them. The Northern reserve squad is distinct from the varsity. It only acts as a "farm" for Head Coach Barclay.

After suffering a 20-15 defeat in their first encounter against Pontiac the boys got down to heavy work and perfected a fast breaking offense and an air tight defense that "clicked" successfully until their main offensive punch Steve Urcek who was good for at least 10 points a game, was transferred to the Varsity. A few weeks later marked another shipment in which Dodson Truss, lanky sophomore, was also sent to Coach Barclay's first team.

These two performers were the "spark plugs" of the reserves and consequently with their departure Kuick's boys began to lose games. Two synthetic titles, Saginaw Valley and City, were relinquished.

Bay City was the Vikings' first victim, the Wolves fell back with a 23-15 count against them.

Steve Urcek led his mates in the first Central game to win 21-22 and continued the next

week, scoring 17 points himself, to submerge Saginaw Eastern with a 38-16 walloping.

Arthur Hill held Kuick's men to a 21-21 tie in one of the best battles of the season. Dodson Truss and Connolly led the Vikings in the scoring column. The tie was not played off.

Teddy Burek, Chet Lipka, and Steve Urcek went on a scoring spree against Court St. M. E. a church league entry, and the result was 34-11.

Bay City, using the second team of the varsity, avenged itself by crushing the Northern hopefuls 35-23 for their second reversal. This was paid for somewhat when the Vikings took Arthur Hill down the line 17-15.

In the last two Central games, the team was up against the odds. Urcek, Truss, and Lipka, three mainstays, were out of the lineup. The boys put up a real battle but were set back by a one point margin each time.

NATIONAL LEAGUE VIKINGS  
Annelle, St John, Winter, Gilmore, Jennings, Orvil Speck, Oliver Speck

**1932 INTRAClub BASKETBALL.** Replacing the Annual Home Room Tournament the Intra Club Basketball League finished its first year of organization with the Hi Club of the American League on top. The League was organized by Coach Barclay to satisfy the demand for more extensive inter school basketball. The fifteen clubs were then divided into two leagues: the American and National.

Early in the tournament the Vikings stood at the top of the National League. In winning their first two games the Vikings displayed a strong zone defense.

The American League showed the Eskimos and Hi Club running a close race: the Hi Club climbing to the top by winning seven games and losing none.

In the tourney play offs featured by the fine shooting of Bill Ball and Thorwald Powrie the first of the two out of three games was taken by the Hi Club of the American League from the Vikings of the National. The first quarter of the game was closely contested with the Hi Club ahead. Ball garnered twelve points while Powrie obtained ten. Although he failed to crash the scoring column Erickson played a steady game. St. Johns and Gilmore were the best the Vikings could offer.

By winning the second game of the Series the Hi Club took the championship. Handicapped by the absence of Ball, the Hi lads kept a two or three point lead for the first three quarters when Knuth ran wild and brought the final score to nineteen against the Vikings' ten.

**1931 CROSS COUNTRY** With a season record showing wins in two out of three dual meets, a first in the triangle meet, a second in the state meet and tie for first in the Regional, the Viking harriers closed the most successful season in history against Flint Central in a struggle for the city title. In this set to the Scarlet and Gray were nosed out 27-28.

After an inauspicious start following illness and injuries suffered by the squad, the team led by Captain Jacob Bohl showed the way to the tape first consistently.

In the Regional meet because of a mix up in checking runners in the order of their finishing, the title and trophy were in question until a flip of the coin decided the winner late in April. Coach McMonagle proved lucky and the title and trophy came to Northern.

Captain Bohl was the only harrier in the city's history to win the Regional meet two years in succession. Captain elect Herb DeWitt took a seventh in the state meet.

#### REGIONAL

Because of official mix up the winner of the Regional meet was to be decided by the placement of Northern and Central, disputing contestants for first place, in the State meet. This later resulted in Northern's winning the regional meet.

TRACK 1931 Northern's running off with the Saginaw Valley meet was the significant accomplishment of the 1931 track team. Bob Moore, Lee Johnson and Al Washington starting.

The season was started by trimming the strong Lansing Eastern aggregation by ten points. This

was followed by a close meet with Central in which the Viking squad was victorious by a small margin. In the Regional meet the team was not as successful but managed to take third place. Tyler and Jordan gained a place in the state meet. Tyler placed third in the pole vault and Jordan fourth in the quarter mile.

**BASEBALL 1931** The 1931 Viking baseball team annexed to Northern's list of victories the Saginaw Valley Baseball Championship. This title marked the first time Northern has ever attained the valley honor.

The city baseball crown was another feather in Northern's bonnet when they beat Central two out of three games.

The first game ended 5-3 in Northern's favor but the second time the tables were turned and Central took it by a close 11-10 score. However

the third game gave us the city crown with a 9-5 win.

Nine games were on the Northerners' schedule for the past season of these seven were victories and two defeats.

CHEER LEADERS

Michaud, Captain Dupee, Herzog, Elder

**CHEER LEADERS** Urged on by the 1932 cheering squad the Viking rooters added a great deal to the morale of their teams by enthusiastic and orderly cheering. Always alert to "strut their stuff" they donated to what might otherwise be dull and unexciting moments of play the usual Northern spirit. Always on hand when the brilliant grid playing of O'Leary or Piotrowski showed up or when Evanoff's or Johnson's stellar work on the court showed scoring results, the leaders organized the spontaneous cheering into regular voluminous roars of approval.

Captain Stuart Dupee's return to duty was welcomed after a quarter of absence due to inability.

The backbone of the squad was its peppy youngsters. Melvin Michaud and Gordon Elder Michaud will be lost to Northern through graduation, although Elder will be back.

A new member was added in time for the Central basketball games and proved popular. He was Robert Herzog, formerly a tumbler. His cartwheels and leading inaugurated something new in the annual court games.

#### SENIORS

Top Row Sawyer, Kuhn, Cooper, Peake  
Bottom Row Ford, Staley, Postman

**1932 SENIOR BASKETBALL** After winning the Inter Class basketball title the Northern senior girls lost the chances for City Title when they lost to the powerful Central females.

Starting out the season by winning with a large margin from the juniors, the seniors received a start for class honors. At the end of the first quarter the count stood eight to two in favor of the seniors because of Ford's and Staley's fine shooting in the second quarter. They made it an eleven point lead at the half. The last half gave the seniors a chance to add regularly to their score.

Staley, Ford and Peake did stellar work in the second game on the senior schedule. Winning from the Sophs by an 18-16 count they bagged the school title. Led by Jones the Sophs staged a

comeback which nearly won the game for them in the last quarter.

The Central squad gave the seniors their only defeat. Wendardt, Indian center proved too much for the Vikings and made baskets at will until Helen Forro was substituted to stop her in the last quarter. Staley, Ford, and Forro were the outstanding Northern players.

**1932 JUNIOR BASKETBALL** The girls of the junior class basketball squad suffered only one defeat at the hands of the senior girls. They were however the only team which came out on top in the Central Northern frays. They avenged somewhat the defeats handed to the other class teams by the Indians.

#### JUNIORS

Top Row Kuhn, Jacquelin, Smith, Byre, Fay, V.  
Bottom Row Schaeffer, Miller, B., Myers, Jenn, Bouch

#### SOPHOMORES

*Top Row:* Harrison, Pleiscott, Chillick, King, Plow.  
*Bottom Row:* Brackins, Dobransky, Nagy, Joles

They won their first inter class game from the Soph team by a one point margin, 9-10. Gertrude Bedenfield earned honors on the junior team, sinking seven points to win the game. Maxine Joles followed second for the Sophs with 4 points. At the first half the game was still undecided and by the end of the third quarter the juniors had rallied to get a nine point lead. At the end of the third quarter the score stood 9-8.

Losing their only game of the season the junior girls were stopped on their way to inter-class championship by the senior femmes 19-5. Fay played the best for the losers, while Ford and Staley starred for the seniors.

Led by Lola and Lois Staehle the Viking sextet took the Indian girls for a 23-15 victory. The game was clinched in the first half when the score stood eleven and five in the Vikings favor. Lola piled up 12, her sister six points, and Gertrude Bedenfield slipped in five points.

**1932 SOPHOMORE BASKETBALL.** The Sophomore sextet lost all the games in which they played. However, all of these games were close and packed with thrills. They lost to the juniors by one point, to the seniors by three points, who had given the juniors a 19-15 defeat, and finally to the Flint Central girls by five points.

Starting out the junior game with a bang the sophomores led the game at the end of the first quarter. Due to a rally on the part of the juniors they were set back at the end of the third quarter by the count 9-8 against them. The final score being 9-10.

Theresa Nagy was star of the Central Northern sophomore game. Seven of the nine points were due to her effective shooting. As in the junior game the Sophs led at the half but were forced out by a rally of the Central ladies.

GIRLS HOCKEY TEAM

Top Row: Chea, Ford, Cooper, Robinson, Bedenfield, Benden, Dobis  
Bottom Row: Schaeffer, Mott, Brackins, Joles

**1942 HOCKEY** When eighty-seven girls reported for hockey practice Coach Sullivan organized them into seven teams, the sophomores having four, juniors two, and seniors one.

Preliminary practice was held following which the teams played each other to determine both the best team and the best players.

Out of the original eighty-seven, three teams were selected composed of the most skillful players who represented Northern in the Northern Central play offs.

In the games which followed the Indian lassies attacked their way to victory in each of the three games. The sophomores were trimmed 2-0, the juniors 2-0 and the seniors 4-0.

At the conclusion of the inter-school series Coach Sullivan selected an all-school team made up of the best players as shown in the games played. These players were announced at the hockey banquet held at Central December 3, which ninety players of both schools attended.

**NORTHERN JUNIORS 0 - CENTRAL 2** A fighting junior girls team made a desperate defensive attempt to stop the Indians from scoring but the Redskins slipped through for two markers.

The Centralites, a much more experienced team, played brilliant hockey. The game was full of action, fast and clean to the very end.

Bedenfield, Smith and Bithan Tattersall were outstanding for Northern.

**NORTHERN SOPHOMORES 0 - CENTRAL 2** With only a few weeks practice the sophomore hockey team opened the inter-school play and in a defensive lapse allowed the Indian maidens to chalk up two goals.

This game forecast the season's results for the two senior teams in that although full of fight the Vikings would give way to the experience of the more seasoned Centralites.

**NORTHERN SENIORS 0 - CENTRAL 4** By sweeping through the Northern senior team the Central lassies made a clean sweep of the city 15-0-4-0.

**FACULTY TESTIMONIALS** Harold Hobart says: "I am a celebrated chemist and in that capacity I was always spilling acids on my teeth. This made my food taste funny and also spoiled my Gable-like looks. I was on the brink of suicide because of my inelegant teeth but just at the fatal moment when I was about to swallow the cue ball at the Capitol Recreation Parlors, I heard the melodious tones of Amos 'n' Andy and Bill Hays recommending the use of Pepsodent for delinquent teeth. From then until now I have fairly lived in Pepsodent and my mother is always showing off my teeth to company."

Missus Audrey Wille Bowns says: "Before I was married my hands were beautiful white and soft. A short while after I was wed my husband started letting his beard grow for—one two and yes—I hate to say it but sometimes three days without shaving. I wondered—good heavens! Has he ceased to care? I used to ponder over this as I nibbled bits of cheese from the mouse trap finally I hit upon the solution. My hands had become rough and reddened from dish washing. Then I found Chipso—happy happy day. Now hubby shaves every day and he does the dishes too. I have beautiful hands."

\* \* \*

Miss Mildred Beamer says: "For five years I had eye strain, backaches, indigestion, fallen arches, charley-horses, colds, rashes and nose bleeds. One day one of my friends said 'Say Millie old gal old gal why don't you try Sloan's Lintiment compound?' Boy oh boy oh boy, it's swell stuff. So I broke my dime bank open and went down to buy a bottle of Sloan's. My! My! You don't know how much better I am. I now wear a size three and one half shoe and have a date every night in the week."

\* \* \*

Miss Helen Murray of Gallipolis, Ohio writes in to say this: "I always have had queer dreams and nightmares. I used to think that it was something I had eat but I quit eating so it can't be that. Every

night I dreamed about wedding bells. I couldn't seem to interpret my dreams until I got that wonderful book of Dr. Snorenoots. Dr. Snorenoots book interpreted my dream about wedding bells as meaning I would be a success on the New York stage. Well modestly speaking I was a wow on the stage and thanks to Dr. Snorenoots dream book I've had insomnia ever since."

"I'll give you a Buck." cried one loyal member crossing his fingers and knocking on "Wood."

"We'll need more 'Jack' than that," cried Ann other.

Order! The secretary will Read the minutes of the last meeting." During the reading, the secretary grew nervous, and crumpled the paper.

"Don't Wadja paper like that," yelled a soph Craft-ily on Adair.

"Oh, that's all right," replied a senior Phyllis "ophically, there's more where that came from Nerts." The interest of the group is Wavning" sighed the president to herself.

Marshalling her wits she mumbled, "Must we stage a Duell to catch their attention? It would be a Bard of an idea and a Burden off my mind if I should bring Jore to their lives and announce refreshments."

To the audience: "We are serving Olives and drinks imported from Canada."

There was a general rush for the food.

"Oh," she exclaimed "Neale ing Grace'fully I feel years Older' after that trying experience!"

With cries of "Goodnight, 'Deary' I'll see you on the Morrow," the meeting broke down and everyone had to be Carey'd home.

CONTEST WINNERS  
 Simon Poppoff, Margaret Galloway, Richard Darnton, Wadja Pinowski

**POPULARITY CONTEST** A popularity contest was staged this year for the first time in Northern High School's history by the North Wind. Ballots were cast for the most popular boy and girl, most friendly, best student and most athletic. Students were nominated by a ballot handed to every person in school in addition to an extra one in the North Wind. At this time Margaret Galloway, Mary Ches, Helen Mary Nyland, Joie Canada and Janet Scott were nominated for the most popular girl. Dick Darnton, Lee Johnson, Larry Rathbun, Dave Jamieson and Bill Middleton most popular boy. Phyllis

Voss, Jean Sartor, Dorothy Calkins and Wilson most friendly girl. Frank Evans, Earl Knuth, Bob Moore, Frank Piotrowski and Al Washington most friendly boy. Wadja Pinowski

Nancy Reemtsen, Dorothy Calkins, Dorothy Westcott and Mildred Vahiancoun best girl student. Sim Poppoff, James Norton, Norman Halleck, William Reed and George Stevens best boy student. Helen Ford, Esther Fay, Maxine Joles, Virginia Peake, Christine Staley, most athletic girl. Lee Johnson, Bill Barclay, Joe O'Leary, Andy Major and Frank Piotrowski most athletic boy.

In the following week ballots were cast again and students selected were Margaret Galloway and Dick Darnton, most popular. Phyllis Ganes and Frank Evans, most friendly. Wadja Pinowski and Sim Poppoff best students, Helen Ford and Lee Johnson most athletic.

Whether or not this contest is to be repeated in the following years is as yet undecided.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

## WHAT'S 150,000 MILES TO A BUICK?

Ask almost any motorist why Buick outsells any other eight in its field by more than four to one, and he will answer much like this: "It's because Buick builds cars that serve better, keep on serving better, stand up under hard usage, and stay young a long, long time."

This verdict is strikingly confirmed by Buick's twenty-eight year record of extra performance and extra reliability.

More than three-quarters of a million of the Buicks in use today have been serving their owners *five* years or longer. 68,081 Buicks have been serving ten years or

longer. More than 5,000 have served for fifteen years—54 for twenty years—and at least 3 Buicks are still reeling off the miles after 25 to 28 years of hard, active service.

Is it any wonder that people say, "What's 150,000 miles to a Buick?" And can there be any stronger recommendation today, when people are seeking strength and reliability in all investments? Apparently there *can't* be, for America is buying more than four times as many Buicks as any other eight of its price. And more than eighty-nine out of every hundred Buick owners buy Buicks again and again.

Statistics used in this advertisement compiled by R. L. Polk & Co. from U. S. official registration figures.
